

Instructions for Returning your Presto® Dial Gauge (consumers)

The Dial Gauge on a Presto® Pressure Canner should be inspected annually or earlier if a problem arises.

Shipping Checklist:

- Please fill out this form and include with package.
- You are responsible for packaging your dial gauge properly so it arrives at Presto safely and with no shipping damage. Please use adequate packaging material for shipping. The dial gauge should be secure inside the box (does not move around).
- We recommend using a tracking number for your protection. The delivery service you use is your choice.
- Ship to: **National Presto Industries, Inc.**
ATTN: Gauge Testing
3925 N Hastings Way
Eau Claire, WI 54703

Your package will be processed upon arrival. We will return your Dial Gauge via FedEx.

For further assistance, call 1-800-877-0441 weekdays between 8:00 a.m. and 4:00 p.m. (Central Time).

Name: _____
